

# You Are the One, You Are the Hero!

Let's imagine we are a world-famous athlete!

## Baseball Player <Shohei Caryl Ohtani?! Version>

Firstly, I want to say what an honor it is to share this stage with so many great players.

Congratulations to you all. I would like to thank the WBA for hosting this great event, and to everyone who voted for me. I have some special thank yous I would like to share. To \_\_\_\_ (name) \_\_\_\_ for their warm welcome from day one and their unconditional support, thank you for believing in me and my vision. To \_\_\_\_ (name) \_\_\_\_ for all their support and encouragement throughout the year.

Lastly, to \_\_\_\_ (name) \_\_\_\_ for coming all the way from \_\_\_\_ (place) \_\_\_\_ to be here tonight. Thank you to all of YOU. (Please write the names of 3 different people you would like to thank! It can be your parents, siblings, friends, teacher or your own personal hero!)

## Tennis Player <Naomi Kacey Osaka?! Version>

Thank you to \_\_\_\_ (name/group) \_\_\_\_\_. I really don't think I would have made it through this week without you. Of course I get so disappointed when I lose, it's always a pleasure to win but I think if I lose, the world won't end. I know the beginning of the year wasn't that great, so thank you for believing in me. You made me what I am today, so thank you.

You inspired me to follow my dreams.

Behind a player is always a team, so I'm really grateful.

## Olympic Sprinter <Usain Nikko Bolt ?! Version>

It feels great. It was key for me to come here to \_\_\_\_ (place) \_\_\_\_ and defend my title, and I did just that. There were a lot of downturns, but for me I'm just happy to be here and I'm proud of myself.

I came here to \_\_\_\_ (place) \_\_\_\_ to solidify my legend and it's started out good, so I'm happy with myself. Now I've got to push on, keep focused and work hard.

\_\_\_\_ (place) \_\_\_\_ has been a great experience for me. It's wonderful. The crowd is just amazing. I knew it was going to be loud, them calling my name, but for me the energy has been wonderful.
