## About Australia

### MISSION 1

Hello!

My name is \_\_\_\_\_.

Today, I will be talking about Australia. Australia is a very big country. The capital city is Canberra and the largest city is Brisbane. The national animals of Australia are the kangaroo and the emu. Thank you very much.

### MISSION 2

G'Day (Good day)!

My name is \_\_\_\_\_.

Today, I will be talking about the land down under, Australia. Australia is the sixth largest country in the world. There are six states and two territories that make up the country of Australia. The capital city is known as Canberra. Australia has many delicious foods such as lamingtons or meat pies, as well as many different animals. Do you know the Kangaroo? When I think of Australia I think about \_\_\_\_\_. Thank you very much.

### MISSION 3

G'Day Mates! I'm \_\_\_\_\_, and today I am excited to talk to you about a wonderful place known as the land down under or as most of you would know it, Australia. Did you know that Australia is the only country that is also a continent?

Now, let me tell you all of the other amazing things about this beautiful country.

Australia has a rich biodiversity and an abundance of unique flora and fauna, many of which are found nowhere else on Earth. There are many cute and wonderful animals like koalas and kangaroos but there are also big scary spiders and other dangerous animals, so make sure to check places before you touch. But, let's not let the animals scare you because Australia is home to the largest coral reef in the world called the Great Barrier Reef located in Queensland. There are also many beautiful beaches where we can go swimming in our bathers and have a BBQ, or as the Aussies call it, a barbie.

Did you know that most of Australia is a desert, famously known as the outback, with a giant rock called Uluru. Australia is also a home to the Aboriginal people who are the natives, who of which migrated to Australia thousands of years ago.

Which city would you like to visit? Perth, Darwin, Brisbane, Sydney, Adelaide, Melbourne or Hobart? If I went to Australia I would like to \_\_\_\_\_. Thank you for listening to my speech.
