Mission 1:

Hello! My name is _____. Christmas is celebrated on December 25th every year.

Mission 2:

Hello! My name is _____. Christmas is celebrated on December 25th every year.
It's an exciting time of year to spend with family and eat lots of food together. It is also
an exciting time to give each other presents, and decorate our homes with ornaments
and lights. Children wait patiently for Christmas morning, to see what present Santa
Claus has brought for them. For some, going to church is the most important part of
Christmas.
In my house, we celebrate Christmas by _____. Thank you very much!

Mission 3:

Hello! What is the first thing you think of when someone says Christmas? Is it Santa Claus, receiving presents or eating delicious food?
Christmas is celebrated on December 25th every year. It's an exciting time of year to spend with family and friends, eat lots of food, sing Christmas carols and watch festive movies together. Christmas movies are often about Santa Claus and the spirit of Christmas. What do you think the spirit of Christmas is? Is it the excitement we get from ripping open our colorfully wrapped presents? Is it the beautiful decorations we place on the Christmas tree and throughout the house? Is it the delightful smell of freshly cooked Christmas dinner filling our noses as we get ready to eat? All of these things make Christmas so special to us, but what makes this holiday so magical?
For me, _____ is what makes Christmas such a wonderful time of the year. I will be celebrating Christmas this year by _____. How will you spend this winter holiday? I wish you all a Merry Christmas! Thank you for listening to my speech!
